Enforcement students. It utilizes authentic materials such as videos, internet resources and readings to promote learning by doing. This online course will seek to enhance student's language skills in the target language by providing basic and simple real-life Law Enforcement

Introduces students to the personal challenges and competencies that are critical for effective

leadership and illustrate how the personal development of life skills such as

critical thinking, goal setting, time management, physical fitness, and stress management relate to leadership (in both the civilian and military environment), officership, the Army profession, and daily life. Leadership principles within the current context of a university are emphasized. Application is also made to leadership in military and civilian settings that include government, corporate, and non-profit organizations. Cross-listed as ROTC 1010 at Seton Hall University (SHU) ROTC.

SECU 150 Introduction to Security (3 Credits)

This introductory course provides an overview of the principles and problems of effective security enforcement. An analysis is made of the security officer's role in the organization served, the procedures and regulations which govern that role and the laws as they relate to the rights and duties. The organization and administration of the security department are stressed.

SECU 210 Introduction to Intelligence (3 Credits)

This course covers the history and evolution of intelligence, covering areas that include principles and processes, ethics, and how it is used in a national security setting. Students will develop knowledge of the use and practices of intelligence with respect to homeland and national security interests.

Pre-Requisite: SECU 150 Introduction to Security

SECU 214 Crime Scene Investigation (3 Credits)

This course will review basic and advanced procedures of crime scene investigation. Students will learn the procedures for documenting crime scenes. The course will also cover the proper

SECU 280 Security Organization & Administration (3 Credits)

This course is designed as an introduction to the organization and administration of security functions within a corporation, company or municipality. Topics such as administrative procedures and corporate management philosophy are examined.

SECU 224 Ethics in National Security (3 Credits)
