

Students in Clinical Practice will use Anthology Portfolio to view the assessments that their Clinical Supervisor and Cooperating Teacher complete for them. At the end of the semester, students will also be required to complete a Journal Entry to log their hours and the Candidate Self and Site Report to provide feedback on their experience.

Click the button "Sign in with Your School ID" *before* using your GothicNet ID and password to log into Portfolio.

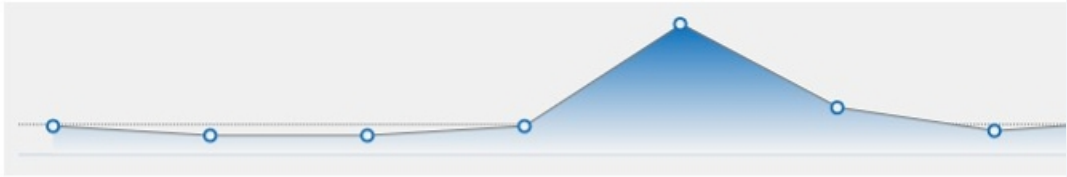

The screenshot shows a login form with two input fields: "Login Name or Email" and "Password". Below these fields are two buttons: a dark green "LOGIN" button and a light green "SIGN IN WITH YOUR SCHOOL ID →" button. The "SIGN IN WITH YOUR SCHOOL ID →" button is highlighted with a red rectangular border.
